SPECIAL COMMITTEE ON ASSESSMENTS

Plan For Arriving At Apportionments To Charges In The Oregon Annual Conference

I. First Step.
   (a) Determine the total average active membership o' the conference the last four years.
   (b) Determine the average total active membership of the charge covering the last four years.
   (c) Determine ratio of charge membership to total conference membership. This is done by dividing the sum obtained in (b) by the sum obtained in (a). For example, if (a) is 8,000 and (b) is 130, the ratio would be found by dividing 130 by 8,000, thus obtaining a ratio of .001625.

II. Second Step.
   (a) Determine total average ministerial support of entire conference covering the last four years.
   (b) Determine average ministerial support of charge covering period of last four years.
   (c) Determine the ratio of conference ministerial support to charge ministerial support, the process as in (c) of the first step.

III. Third Step.
   (a) Determine total average giving of the conference over a period of last four years, except for ministerial support, this to include world service and conference benevolences, contributions from the Woman's Society remitted through the conference treasurer and current operating expenses of charges, which is to include all expenses thereof except non-recurring items.
   (b) Determine the total giving of the charge for all items except for ministerial support over a period of last four years, this to include the same items referred to in (a) of this step.
   (c) Determine the ratio of conference giving to the ratio of the giving of the charge, the process to be the same as (c) of the first step.

IV. Fourth Step.
   To determine the working ratio:
   (1) Multiply the membership ratio obtained in the first step by two.
   (2) Multiply ministerial support obtained in the second step by three.
   (3) Mulitply all other giving, ratio obtained in the third step by three.
   (4) Add the sum of lines 1, 2 and 3 of the fourth step.
   (5) The total obtained in line four of fourth step is divided by eight.
   (6) The amount obtained in line five immediately above is the ratio for the charge.
   (7) Multiply the amount apportioned by the ratio obtained in six. The result will be the amount of money apportioned to the charge.

W. C. Winslow, Chairman
Ross Chapin, Secretary

WILLAMETTE UNIVERSITY

In the reports of the three academic deans - Liberal Arts, Law and Music, each stresses the excellence of the work which has gone on in the classroom this year. I quote from Dean Gregg's report - "If the axiom be true, that an educational institution is no stronger than its classroom instruction and faculty counseling, then the writer feels that Willamette has no cause for serious concern. By and large, our faculty is a strong and devoted group."

The student religious life of the campus has its center in the Thursday religious convocation which has again been held at the First Methodist Church. The Thursday chapel is an attractive, religious service in which religious leaders of the various denominations are brought to address the student body. During the past year, twelve Methodist ministers were presented in our chapel programs, as well as ministers of seven other denominations.

WESLEY FOUNDATION - ASHLAND

At the first "get-together" after school opened there were thirty-five present. There were games and refreshments. Meetings were held each Sunday evening with an average attendance of 13.

Once each month a party was held, consisting of hay-rack ride, swimming, hiking and homeparties with an average attendance of 20.

Next Fall we plan a closer supervision at registration and during the first month of school. A mid-week get-together is planned at the college consisting of religious discussion.

b- A complete constituency file. A pastor going to a new charge is saved a year's work if he inherits such a list.

c- A full list of baptized children and preparatory members.

5. An active committee on evangelism in every local church, to assist the pastor in finding, reaching, training and assimilating new members. The new quarterly conference report blanks are suggestive of a good program of work. The Committee on good literature may assist in promoting evangelistic literature.

6. Every pastor gather youth and adults into membership training classes. We heartily commend those churches which are insisting that such training be given to prospective members before they are received.

7. Every church own or borrow the "Two by Two" training chart, and use it.

8. Every church hold at least one well-planned, organized evangelistic effort during the year.

9. An all-conference spiritual life conference for ministers, in the post-Easter season of 1951, with Bishop Kennedy as our leader.

GOODWILL INDUSTRIES OF OREGON

The Goodwill Industries recognizes the value of employment. The therapy of work and the principle of self-help are fundamental strengths. Any organization which provides an opportunity for the enrichment of personality through personal endeavor and effort is performing a useful and needed service. Goodwill Industries is one of these agencies, having assisted 270 different handicapped persons this year to retain their self-respect.

Goodwill Industries is a thrifty organization. By the skilful utilization of discarded and no longer desired materials, it seeks to provide employment and wages for those whose earning power is low. Proof of this thrift is readily apparent in the fact that for every cash dollar received in 1949, $125 was paid out in service. This was possible only because of the skillful utilization made of those materials.

HISTORICAL SOCIETY

The Oregon Conference Historical Society, which has been carried on for so many years by such men as Dr. John Parsons, Walton Shipworth, and, for the past 33 years by Dr. William Wallace Youngson, has this past year been quietly doing its work of gathering historic materials and encouraging the writing of historical memoirs, etc.

We have had two meetings of the Society with a total of 9 in attendance at one or both meetings, as follows: Robert M. Gatke, Laurence E. Nye, H. S. Shangle, Mrs. Emil Tschanz, C. L. Starr, Dr. John M. Canse, Geo. G. Roseberry, Mrs. A. J. Owen and T. D. Yarnes.

During the year just closed four churches have celebrated their centennials: Yamhill, Albany, Lebanon and Dallas. It is notable that Yamhill, at the beginning of the Oregon Annual Conference, had the largest church membership in the entire Conference: (201).

The Office of the Counselor on Religious Life works in close cooperation with all the churches in Salem to see that students find a church home in the denomination of their choice. During the past year twenty-seven denomination groups were represented on the campus. The largest group of students, as would be anticipated, is the Methodist group with 422 students registered at Willamette.

During the past year, the students under the leadership of Doctor Withey, have continued their work in deputation teams. During the year, forty-four different students participated in the work of the deputation teams and twenty-one appearances have been made by these teams.

The twelve different religious groups on the campus, in which students participate, cooperated again to offer a Religious Emphasis Week. This was sponsored under the direction of the Inter-Faith Council. Reverend Amos Thornburg, pastor of the First Methodist Church of Hollywood, delivered the three principal addresses. Formal discussions were participated in by all the groups on the campus in Firesides and the Dramatic Department presented a play with special religious emphasis.

In addition to the extra-curricular religious activities, Willamette offers a strong department of religion. During the fall semester sixteen semester hours of work was offered to three hundred eleven students in the department.

Students are also in greater need of financial assiatance than they have been at any time during the past decade. More use of our loan funds and scholarship funds was made in the past year than in any time since I have been on the Willamette campus. In recognition of this fact, the Board of Trustees of Willamette has authorized a program to raise funds annually to be used for student assistance. The first year an attempt will be made to raise $12,000 for this purpose. Willamette is eager to help worthy students who should attend the University, and who have limited financial resources. During the past year $19,043 was spent in this way. Included in this amount is $5,495 granted to sons and daughters of ministers in half tuition grants.

The University is indeed grateful for the continued support of its program by the church to which it is related. During the past year we have received $3,710 from the appropriation from World Service and Finance, and $2,447.60 from the College Day collection, making a total of $6,157.60 from the Oregon Conference. This is an average of approximately $.18 per member of the Oregon Conference for the support of the institution of higher learning related to the Conference. The program adopted by the General Church calls for giving, for institutions of higher learning related to the church, an average of $.50 per member in the supporting Conference. It is our hope that our program may continue until we reach this goal.

BOARD OF EVANGELISM

The Past Year:

Each district secretary of evangelism attended a national meeting. Edward Terry and Francis Ohse, with the conference evangelism secretary, worked in the Philadelphia Advance meeting, where Bishop Kennedy was guest speaker. Clark Enz and Wendell Coe worked in the E. V. Moorman School of evangelistic preaching at Holine, Ill.

Our goal for members by profession of faith was 2313, or one for each 14 active members in the conference. We received, by profession of faith and from other denominations, 2,894, or one for each 11 active members. While this record is commendable, we know there is a vast field still white. We therefore recommend the following as our conference program of evangelism for 1950-51.

The Next Year:

1. We call upon our fellow ministers to covenant with God and one another to spend one full evening each week endeavoring to call on the best three prospects on our responsibility list.

2. Adoption of the General Board plan for "Six Victorious Months", Oct. 1, 1950, to March 31, 1951. We recommend as a conference goal, one new member on profession of faith for each 10 active members, and one for 14 by transfer.

3. Four nights of visitation evangelism on the sub-district level, simultaneously and twice during the year.

4. Every church complete its church record system this year, to include these:
   a- Accurate membership record, with a membership secretary assisting the pastor in every church.

hence for the churches which are now on our list of appointments.)

3. That we list the historical collections in the hands of local churches, and file the names of the custodians with the Oregon Conference Historical Society - together with the Chairman of the "Committee on Records and History" of the local churches.
4. We recommend the completion of the project of putting the statue of Jacon Lee in the Hall of Fame in Washington D. C.
5. We recommend also the fulfillment of a project that was authorized several years ago, by this Conference, that a plaque or other fitting memorial be placed in the new church at Oregon City, calling attention to the fact that the first Protestant church west of the Rocky Mountains was built in that place in 1843 A. D.

We wish to pay our respects to Dr. William Wallace Youngson, for his long service to this Society, and to recommend his book "Swinging Portals" to the reading of the members of the Conference and Methodists in general.

INTERBOARD COUNCIL

The Interboard Council of the Oregon Conference is growing in its effectiveness as an integrating agency. Early in the Conference Year the Council met at Camp Magruder, following the meeting of the various cooperating boards and committees. At this meeting a coordinated plan for the year was made. The activities and program planned at Interboard meetings have been carried out through the various Boards and Committees and are reported by them.

One long-felt need has finally been filled in the securing of a Conference Youth Director. Miss Olivia Olson has been unanimously selected to fill this position and will begin her work August 1.

An audio-visual education committee was set up for the purpose of providing materials which may be used in our local churches as educational publicity relative to our activities made possible through our Annual Conference Benevolences. The Interboard Council proposes to assist in the promotion of our World Service giving by helping to acquaint the churches with our Annual Conference activities.

It was the action of the Interboard that favorable consideration should be given to the securing of District Parsonages, but that steps toward this should be initiated by the respective districts.

At the planning session of the Interboard last fall it was decided that in the future the annual planning session should be held in the spring. At this spring meeting each year the Conference Calendar for the ensuing year will be set up.

The financial askings of the various boards now clear through the Interboard Council and an attempt is made to adjust the total asking to the probable available income before presentation to the World Service and Finance Committee.

In all its activities the Interboard Council is working to effectively integrate the total program of all the Boards and Committees of the Conference as to program, calendar and budget.

INSTITUTE SITES COMMISSION

Suttle Lake is located on beautiful Suttle Lake on leased property from the United States Government on a ninety-nine year lease. The main lodge has been erected and equipped. There has been expended on these improvements approximately $75,000. There is no indebtedness and we close the year with a balance on hand in the building fund of $705.00 and in the operating fund $135.36.

In order to complete the program at Suttle Lake it would mean an additional $15,000.

As to Southern Oregon, we have a fund in the bank of approximately $10,000 looking forward at the time when we may establish a suitable camp for the use of that section of our Conference.

At Camp Magruder we have expended approximately $165,000, taking into consideration cash received and donations of labor and material. Carrier Lodge has been practically completed. The lower floor or basement has been completed largely through the efforts of one woman, namely Mrs. Alice Chappell, who has gone out and obtained the material as a gift and who has rallied the men together to do this work. This alone would have cost several thousand dollars. We are just completing the Bell Tower, and there is

It is also notable that both Albany and Lebanon were, in the beginning, probably a part of the Calapooia Circuit, whose early Quarterly Conference records - running back to 1856 - are preserved at Willamette University.

During the year also, at least two historical sketches of Methodist churches of the Conference have been prepared for the records. Those are Albany and Sellwood, After certain corrections are made copies will be filed with the other historical documents of the Conference.

About four boxes of books and manuscripts and other articles (including the old saddle-bags of Rev. T. L. Jones) were taken to the Willamette University library to be catalogued and put in the appropriate place in the historical collection in the library. These were collected by Dr. W. W. Youngson.

It must be reported that the old historic trunk which was donated to the Conference by its first Superintendent, William Roberts, is in the process of being removed to another place, after being kept at the Registrar's office at Willamette University for so many years. It will still be kept safely for the use of the Conference, and accessible to the Conference Secretary as previously.

One member of the Society has gone to her reward during the year. This was Mrs. Emma O'Sullivan - a daughter of Rev. J. H. B. Royal, who served pastorates in Oregon for so many years, and figured so largely in founding Methodism in this territory.

This Conference marks the Centennial of the first reporting Annual Conference in Oregon - the Oregon and California Mission Conference, which was organized in the "Chapel of Oregon Institute" at Salem, on Sept. 5, 1849, with Rev. William Roberts as Superintendent. Reports had been made to the Oregon Mission before, as a matter of course, but there was seemingly no tabulation of reports. And the "California District" of the "Oregon California Mission Conference" was never reported in our Conference nor did the preachers of that district ever meet with our preachers of the "Oregon District" in an Annual Conference.

Quite a flurry was caused some months past by the report that the old historic Rock Creek Methodist church was to be sold. The story is too long to relate here. Suffice it to say that a flood of correspondence descended upon us protesting its sale. But the facts are that this church, with its accompanying cemetery, was sold about 20 years ago to the Rock Creek Cemetery Association, and is not a part of our problem at this time.

As a matter of policy this Historical Society is not interested in maintaining a dilapidated church anywhere as a monument to Methodism. We are not worshippers of relics. And we have no funds with which to keep such monuments in repair. But we do try to preserve the records of the deeds of the past years for the inspiration of later generations.

We are proposing to this Conference certain changes in the set-up of the Society, and certain other matters which we hope will meet with the approval of the Conference:

1. We wish the name changed by dropping the name "Champoeg" from the title, so that it will be listed in the Conference Journal as "The Oregon Conference Historical Society."
2. That membership in the society be purely on a voluntary basis, consisting of those who are interested in the work of the Society and contribute to one of the following classes of Membership: Annual Membership, $1.00, Contributing Membership, $10.00, and Life Membership, $100.00. (It is hoped that this list can be published in the Journal).

We wish to make certain recommendations to the Oregon Conference:

1. That if sufficient funds can be collected for the purpose an essay contest be held - open to all interested, laymen and ministers, (and it would be hoped that graduate students in our universities might be interested) to write on historical matters pertaining to the history of Methodism in the Oregon Country. Copies of all submitted works would be preserved in the Northwest collection of the Willamette University Library where they would be available for historical research. It is hoped that prizes of five, three, and two hundred dollars can be offered, with competent judges - and the privelege of rejecting or accepting any and all manuscripts submitted as the judges decided that the work did or did not show worthy research.
2. That an annual observance be encouraged to be held in each church of the Conference (under the auspices of the W.S.C.S. or the Committee on Records and History) to study the beginning and progress of the local church and matters of the History of Methodism in the vicinity. (A supplementary report of the 214 pastoral appointments which have formerly appeared in our Conference Journal but are not now so listed is ready for distribution at this time. It is hoped that a similar list will be ready a year

SOUTHERN DISTRICT

John Billings, District Lay Leader

Lay activities in the majority of the Methodist Churches of the Southern District have surpassed last year, with continued stress on the part of the individual laymen in the Church program.

The Methodist Men's Club has found greater participation in Church activities and, in itself, has built more Church interest. The Ashland club, newly organized this year, is desirous of helping start a group in Klamath Falls this next year.

At least one Church is attempting to sponsor a displaced family, and it is expected the family will arrive some time soon.

no indebtedness. We close the year with a balance on hand in the capital expense account of $988.05 and in the operating account of $583.39. In order to fully complete Camp Magruder it would cost something between $20,000 and $25,000.

Approximately $40,000 would complete and equip these camps. You granted the Commission's request and gave it the privilege of continuing its still hunt for funds in order to complete the improvements in these camps. In addition thereto we are asking that the 28th day of January, 1951 be set aside in all churches as "Camp Sites Day" and that each church present the possibilities and needs of the camp sites on that day, making it a day in which Methodism in Oregon will be conscious of this work. That in addition thereto, all churches take an offering for and on behalf of the camp sites of Oregon.

BOARD OF LAY ACTIVITIES

Report Of The Conference Lay Leader

The Conference Lay Leader has attended, with few exceptions, all stated and special meetings and services, travelled 5,126 miles, attended 168 services, held 36 special services, instituted two Methodist men's groups, held Laymen's Day services in Central Church, Portland District, and Myrtle Point, Southern District, presented the Lay Program to the County Methodist Men's Organization in Coquille, attended the County Meeting in Coos Bay Methodist Church, and represented Oregon Methodist Men at various gatherings. This has been truly a year of service for Christ and His Church.

FOREST GROVE DISTRICT
Clyde Walker, District Lay Leader

The second annual Laymen's Retreat was held at Camp Magruder, August 12, 13, and 14, 1949. It was attended by laymen and their families from twelve churches in the district -- a total of 47 people registering during the retreat.

Laymen cooperated in two district meetings held at Newberg during the year. The district and associate lay leaders filled preaching engagements in several charges during the year, in addition to Laymen's Day. Also, several meetings were held with men's groups in various charges to encourage the organization of laymen, or to assist in planning specific activities such as an every member canvas.

PORTLAND DISTRICT
Howard B. Somers, District Lay Leader

During the conference year particular emphasis has been placed upon two general objectives: (1) The encouragement and development of Methodist men, and (2) Training in preparation for the visitation evangelism program. A number of addresses have been given by the District and Associate District Lay Leaders before men's groups with the prospect of their becoming regularly chartered organizations of Methodist men. The second annual "Bishop's Dinner" was held on February 14 under the auspices of the Rose City Park Methodist Men as a mass rally of Methodist men for the Portland District. It was well attended with nearly 100% of the Portland city churches being accounted for.

A district lay "Advance" was held on February 26, 1950 at the Woodstock Methodist Church in Portland in workshop form. Four actual demonstration calls were staged and used as the basis for instructive comment. Those attending the rally included evangelistic teams from many churches as well as most of the Charge Lay Leaders.

SALEM DISTRICT
Leland Sackett, District Lay Leader

For the first time since the Men's Summer Camp was instituted, the sessions were held at Suttle Lake in the newly constructed Lodge. The theme of the meeting was "A Faith for Today," and the registrations and attendance exceeded that of any previous year.

We are proud of the accomplishments in our work at Sweet Home, and the leadership of William Hobbs as pastor is deserving of particular commendation.

Laymen's Sunday is coming to be quite generally observed throughout the district on the fourth Sunday in February. As leaders in activities among men of the Church, we must always strive to encourage men to see how wonderful is the challenge, and how great the reward in the rendition of unselfish service.

This new procedure does not cover askings of the churches from the New York or Philadelphia offices, which will continue to be handled as in the past. These latter requests originate through the District Superintendents.

The Board is cooperating with the Conference Missionary Secretary in arranging for at least one person from every district to attend this summer's missionary conference at Asilomar, California. The General Board, which has been so generous in granting us missionary funds, is urging this, suggesting that there be an occasional change in the personnel and that a few of the delegates be laymen.

In harmony with paragraph 1295 of the Discipline, the board requests the conference to add to its membership the chairman of the conference commission on town and country work and the four district missionary secretaries.

The Conference Board has been requested by the Church Extension Section of the General Board in Philadelphia to issue a word of warning regarding adequate fire insurance on our churches and parsonages. The suggestion is that every Quarterly Conference check its insurance immediately to determine if it is adequate to cover a fire loss at present high replacement costs. Should any church fail to heed this friendly warning, and then suffer a fire loss, the General Board at Philadelphia has indicated it will not look with favor on a request for a loan or gift to aid in rebuilding. We understand the General Board has almost been forced to take this position, due to the number of fires in recent months, in edifices not properly insured. The District Superintendents are asked to assist the Board in transmitting this information to the charges.

Since the spiritual life, liberality, and efficient activity of our churches depend in no small degree upon the missionary spirit and world vision among the people, it is imperative that missionary information be widely disseminated through our congregations. This can best be accomplished by placing the official general missionary organ of Methodism, WORLD OUTLOOK, in the homes of all our people. The already large circulation of this periodical is confined almost exclusively to our woman's organization. This leaves thousands of homes without any specialized missionary cultivation medium. Therefore, your Board recommends, that the Conference and District Missionary Secretaries be requested to assume the responsibility of World Outlook promotion, and that insofar as possible the first Sunday in November be observed in the churches of the conference as World Outlook subscription Sunday.

The Board nominates the Rev. Berlyn V. Farris as Conference Missionary Secretary.

CONFERENCE MISSIONARY SECRETARY

For Each Local Church We Recommend:

I. Organize local Board of Missions according to the Discipline; Chap. IX, Par. 231-234. See also Par. #1166 for a very clear and challenging statement of the aim of Missions.

II. Details of the Missionary Advance should be presented before the Official Board, Woman's Society of Christian Service and to the local Church Board of Education.

III. A School of Missions should be held in each local church for all age groups. Where advisable a covered dish dinner may be served at 6:30 p.m. with classes following. The High School group may choose to meet at 5:30 p.m.

IV. An every-member canvass should be made in every church after the proper organizational and educational work has been completed, including a missionary letter to the membership of the church. Observe fourth Sunday Missionary offering in the Sunday School.

V. Local Boards of Missions contact their District Missionary Secretaries for information regarding speakers, literature, visual education materials, illustrated lectures, and study books.

VI. That we give our endorsement to the excellent missionary magazine, the "World Outlook," and urge our pastors to make an effort to place it in the homes of our people.

VII. The Missionary Manual entitled "Local Church Board of Missions and Church Extension, Its Function and Nature" should be in the hands of every pastor.

VIII. The Pastor will select and instruct minute men who will give a three minute talk on Missions (or call it World Friendship) once a month at the morning service. Great care must be taken in the selection of these men and women.

IX. Give frequent emphasis to missions in your preaching. Challenge your youth to full-time service in the cause of missions.

X. We commend the use of Nationals in summer camps and institutes, and recommend that they also be used in youth rallies whenever possible.

XI. Use our excellent missionary materials. Christian World Facts, which is sent to every pastor, is a valuable handbook. The Home Board sends sample copies of pamphlets each quarter, order the same and distribute after the morning service once each month.

XII. Pray daily for the Missionary Advance Movement. "Thy Kingdon come. Thy will be done in earth, as it is in heaven."

Edward A. Wolfe,
Conference Missionary Secretary

BOARD OF MISSIONS

Several board members attended a specially called area meeting in the Bishop's home and another meeting in San Francisco of certain officers in all conference boards of the Western jurisdiction. At both these special meetings, the leaders emphasized the necessity for a change in the time-honored plan of doling out mission subsidies in small amounts to our churches.

The suggestion was made that the program of lifting up projects like Sweet Home and Trinity Church, Eugene, and getting behind them in a large way be expanded. To do this, it will be necessary for the Board to ask some churches now receiving missionary aid to assume the full support of their pastor. The plan is to work out these changes gradually so as to avoid harm to any church.

This policy of getting behind churches in a larger way is being extended next year to two churches on the Forest Grove district -- Oak Grove (Clackamas County) and Beaverton. These two very promising fields are white unto the harvest.

In view of the new policy of the Conference Commission on World Service and Finance in having all mission aid and church extension items reviewed by the Board of Missions and Church Extension, which are to be considered for the Conference Benevolence Budget, it will be necessary for your Board to adjust its pre-conference meeting to coincide with that of the Commission. Therefore, it will be necessary for requests for missionary aid from the Annual Conference budget to be in the hands of this Board at least 40 days in advance of the Annual Conference, as this Board must investigate such requests and have its report in the hands of the Commission at least 30 days in advance of Conference.

Assembly of the World Council of Churches, Amsterdam, Holland.

These two paragraphs express the convictions of your conference committee on World Peace. We come to you with a spirit of optimism and faith that the day is not far distant when war shall be no more.

We sincerely believe that a whole-hearted support of our evangelistic and missionary program and the Advance for Christ and His Church will go far toward making World Peace a reality. We urge cooperation on a local and national basis with those engaged in sending Caravans, work camp workers and exchange students to other countries.

We recommend that each local Church study the work of the United Nations, use its facilities, and urge its members to visit its sessions if opportunity presents itself.

We agree with the General Conference statement that "The primary conditions of Peace lie in the attitudes of men." To overcome the spirit of hopelessness we propose that the Oregon Conference go on record as favoring the establishment of a Secretary of Peace in the president's cabinet with equal status with other cabinet members.

RESERVE PENSION CAMPAIGN COMMITTEE

After four years effort to raise the $217,760 necessary for the Minister's Reserve Pension Fund, it is with great regret that we must report that we are still over $30,000 short of our goal.

Your Campaign Committee for the Minister's Reserve Pension Fund makes the following recommendations:

1. That the churches which have raised their full Pension Fund quotas be commended for their splendid cooperation.

2. That the churches which have not raised their full quotas, a debt of honor, be requested and urged to put the remainder of their quota in their church budget for the year 1950-51.

3. That the district superintendents be instructed to check the local churches in respect to recommendation #2 at the first quarterly conference.

4. That churches which have not paid their full quota by December 31, 1950 be requested to assume an obligation for interest at the rate or 3% per annum on unpaid balances, beginning January 1, 1951.

5. That Conference Veteran's Day be observed on December 10th in all the churches, and that a love offering for the Ministers' Reserve Pension Fund be lifted.

6. That we recommend that the Board of Conference Claimants Permanent Fund inaugurate a movement to secure bequests, memorial gifts, annuities, real estate and investment securities for the benefit of the retired ministers of our conference, to be designated to Reserve Pension or Permanent Fund.

RESOLUTIONS COMMITTEE

I. Sunnyside Methodist Church has made our Ninety-eighth Oregon Annual Conference one that will long be remembered. We the members and friends of the Conference wish to publicly thank Dr. and Mrs. Edward Wolfe and the people of this church, and other Portland churches, for their excellent hospitality. This beautiful and lovely church has made our conference very enjoyable by its comfort and inspiration. The women of this church deserve much praise for the good daily meals and the service provided, as well as the convenience at eating time.

We express our appreciation for all those who arranged and those who provided the gracious entertainment received.

To the choirs and organists of Centenary-Wilbur, Rose City, and Sunnyside churches and the First Church quartet and Circuit Rider Quartet for the excellent and enriching music each evening.

We are indebted to our Bishop Kennedy for his challenging messages each morning and Dr. Wm. Cannon for the heart-warming and illuminating evening addresses, along with the other speakers of the week who have lifted us to a new vision in our work for the year ahead of us, and extend to them our gratitude.

We wish to thank our District Superintendents, the Secretary, Treasurer, Statistician and their assistants, the Boards and Committees for making the Conference an enjoyable session by the efficient way all cooperated in doing the King's Business.

WORLD PEACE

"The Christian Church should not remain complacent in the present world situation in which there are powerful world forces which, left unchecked, could lead us to untold misery and tragedy. Our worst menace is a spirit of hopelessness that any course of action other than war is possible. Christian people should reject a spirit of fatalism about war." The Discipline, p. 597.

"War, being a consequence of the disregard of God, is not inevitable if man will turn to Him in repentance and obey His law. There is then no irresistible tide that is carrying man to destruction. Nothing is impossible with God. "Findings and Decisions of First

Because of the inspiration of the Conference, we return to our churches with a greater concern for winning men and women, boys and girls to Christ. We have seen the importance of the Church. The fields are white unto harvest and we return more concentrated to our task of preaching and working to make God's Kingdom a reality on earth.

II. Bishop Kennedy in his second year with us has won our hearts. He has imparted a true spirit of brotherhood and Christian love. His able leadership and administration is already beginning to show fine results. We thank God for his residence with us and for his brotherly guidance, and pray God's strength and direction upon him.

Mrs. Kennedy with her lovely personality adds to this joy which is ours. Her gracious ways and pleasing smile have captured the affection of all who know her. We want to thank Bishop and Mrs. Kennedy for their personal interest and contribution to our daily work and labors in this conference.

SPECIAL TEMPERANCE COMMITTEE

The last session of The Oregon Conference ordered

"the cabinet and nominating committee to select a special committee under the Conference Committee on Temperance with instructions to determine policies of cooperation with other organizations engaged in programs protesting the use of liquor and the liquor traffic." Journal 1949, Page 27.

Your committee recommends the following policies looking toward a closer cooperation with other denominations and organizations providing leadership for education, social and legislative action in the field of temperance and control of alcoholic liquors.

1. The Oregon Conference charges its Conference Committee on Temperance with the responsibility of initiating programs of temperance education, social and legislative action as may be deemed feasible by said committee in order to control the liquor traffic.

2. Through said committee we propose to work with organized temperance groups in cooperation with other denominations, if and when our Committee on Temperance holds it to be advantageous and desirable in order to assure the dissemination of temperance information and obtain social and legislative action in this field.

Joseph M. Adams, Chairman

BOARD OF TEMPERANCE

We recommend the enlistment of all our people to prevent the liquor traffic from penetrating our ranks and weakening our strength. We can do this by education to commitment and urge the observance of Commitment Sunday in every church on Feb. 11. 1951; by local option efforts to banish the sale of beers, wines, and distilled liquors from such districts, small towns and secondary cities; by protesting every influence which seeks to facilitate the drink exploitation of our women and children.

We recommend the full cooperation of all Methodists by telegrams, letters etc. etc. to congressmen in support of the substitute or amended Langer Bill, the original having been lost in committee.

We recommend a tightening of our Temperance forces in our state and pledge our cooperation where possible with such organizations as the Oregon Council of Churches.

We recommend a study by the Interboard and the Committee on World Service and Finance to underwrite a year around program of Temperance Education and Legislative Action by the Board of Temperance of our Conference as is being done throughout the other Jurisdictions and Conferences of Methodism.

Albert E. Place, Chairman

3. The item under Section 2A, Fixed Payments, is a preferential charge on all Annual Conference receipts. The remainder of the Conference Benevolence Budget shall be distributed on a pro-rata basis. All participants shall share and share proportionately until they have received their full appropriation, and cease sharing after they have received the amounts appropriated. Any overages shall be placed in surplus to build a revolving fund up to $10,000.

4. The only new item in the Conference Benevolence budget this year is $550 for the Board of Ministerial Training.

5. The total benevolence as recommended by the Commission is as follows: For World Service $63,028, for Conference Benevolences $43,555; Total $106,583. (See Schedule A.) The budget presented in 1949 totaled $109,398, on which total collections amounted to $96,564.55.

6. Special campaigns: We recommend that--

   a. Willamette University Sunday be observed on November 12; when the cause of the University may be presented and a special offering taken for it.

   b. The Pension fund which was begun in 1946 shall be carried on until the $217,760 goal is realized, on the quotas adopted by the 1947 Annual Conference, and that Conference Veteran's Day be observed December 10 in all the churches, and that a free will offering for the Ministers' Reserve Pension Fund be received.

   c. The Institute Sites Commission be authorized to continue a quiet campaign for capital funds without quotas or assessments and that one Sunday each year be set aside as Camp Sites Day at which the needs of camp sites may be presented to churches and an offering taken.

   d. Wesley Foundation of the University of Oregon be granted permission to raise $50,000 for a new building during the conference year by means of a solicitation of each church.

   e. The children's Farm Home of Corvallis be granted permission to take an offering in each Sunday School during this conference year for building a new chapel.

C. Other Items

1. The percentage approved by the General Conference for the Episcopal Fund as an apportionment to each charge is 1 3/4% of the pastor's current salary.

2. To raise money for the Bishop's residence, an assessment of an additional 1/4 of 1% of the pastor's cash salary is continued in accordance with the action taken at the 1949 Annual Conference.

3. The General Administration fund apportionment to this Conference for the year 1950-51 is $3329 plus any unpaid balance for this quadrennium. This fund shall be apportioned to the charges on the basis of the pastor's cash salary as published in the 1948 Journal.

4. The Jurisdictional Conference expense fund for the year 1950-51 is 1/4 of 1% of the pastor's cash salary as published in the 1948 Journal plus any unpaid balance from 1949-50.

5. To pay the Conference Claimants annuity rate of $23.00 requires approximately $65,000. The present plan of apportionment, together with the receipts from the Methodist Publishing House, the Board of Pensions and the Chartered Fund, plus the accrued interest on Conference funds, will provide income approximating $68,961, which is sufficient to meet this annuity rate.

6, The total amount necessary to maintain the schedule of minimum support is estimated at $6100. This is provided by an amount of $3500 in the Minimum Support fund as shown in the budget, and an amount of $2600 obtained by an assessment of 1% of the cash salary of certain ministers (see Conference Rule 27). The Conference Committee on Minimum Support will administer the minimum salary plan and will be responsible for collecting and distributing the fund.

7. For the support of the District Superintendents, we recommend an apportionment to each charge equal to 9.5% of the pastor's cash salary. This money shall be received and banked by the Annual Conference Treasurer and distributed by him as follows:

   A. Each District Superintendent shall be paid on annual salary of $4500.
   B. Each District Superintendent shall be paid an allowance of $900 per year in lieu of house rent.
